Administration

"The foundation of every state is the education of its youth."
— Diogenes

Mr. Kenneth W. Dolloff
Principal

Mr. Arthur Nicholson III
Assistant Principal

Faculty — The word conjures up images of impossible tests, endless hours of tedium, etc . . . but without them where would we be? (probably the beach!)

Mr. David Clayman
Computer Director

Let's face it, these people have had a profound effect upon our lives, if not our grades. These are the "unsung heroes" who have haunted us for the past four years of our lives. They dogged us for assignments, asked us for passes, etc. . . . They were the ones that we had to wake up to. They were also the ones that were sympathetic — (Student: "Can I borrow a pencil?" Teacher: "No!"), understanding — (Teacher: "Where is your homework?" Student: "I forgot it at home." Teacher: "One night."), and available — (Student: "Where is Mr. X?" Teacher: "Gone for the day.") Fortunately or not, they will always be part of our lives. Even if we never did understand integration or quantum mechanics, they taught us something about life and about ourselves. Admit it. It's been real!

A Lesson in Courage

This is to honor Kerry Ricci, whose strength and courage in these very difficult times has been an inspiration to us all. Let her words be a reminder to those of you who curse the world . . .
"Live your life to the fullest and get done what you want . . . to get done before it's too late. Always thank God for everything. Everything you have, thank Him for."

Director's Memo

220 ACADEMIC INTERNSHIP **Levels ¾ (Grades 11,12)**
2 semester course 1 credit

The Academic Internship Program believes that the community as well as the school should be involved in the education of its youth by providing "real life" learning situations. It believes that there are other legitimate places to learn, in addition to the formal classroom. Students, on release time, are individually placed in community agencies, with regard to their future occupational and educational goals. . . .

"Someone once asked Sigmund Freud what he thought a normal person should be able to do well. Expecting a lengthy reply, the person was surprised by Freud's concise answer: "To love and to work." Many of the students who participated in the Internship this year, especially those who worked with young children, the elderly, and the handicapped, learned valuable lessons in both these areas that will last them a lifetime.

"I think it takes courage for these students to leave the relative safety of Methuen High for the uncertainty of hospitals, nursing homes, and day care centers out there in the 'real world'. I know they are to be commended for the love and committment they willingly gave."

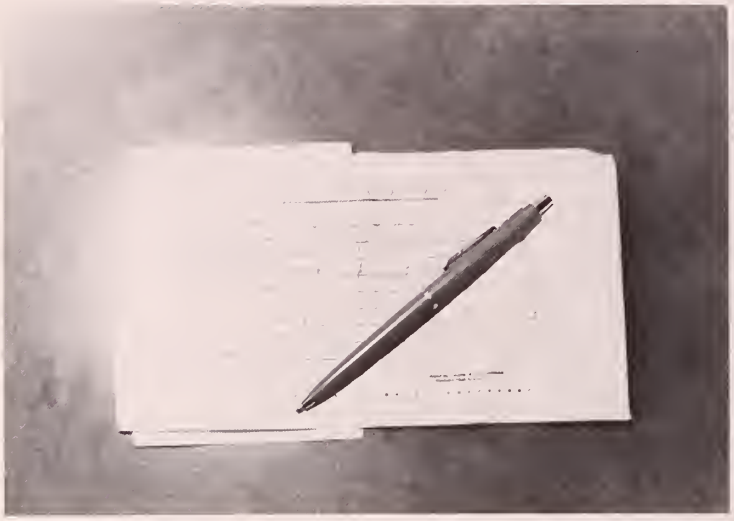
Excuses, Excuses



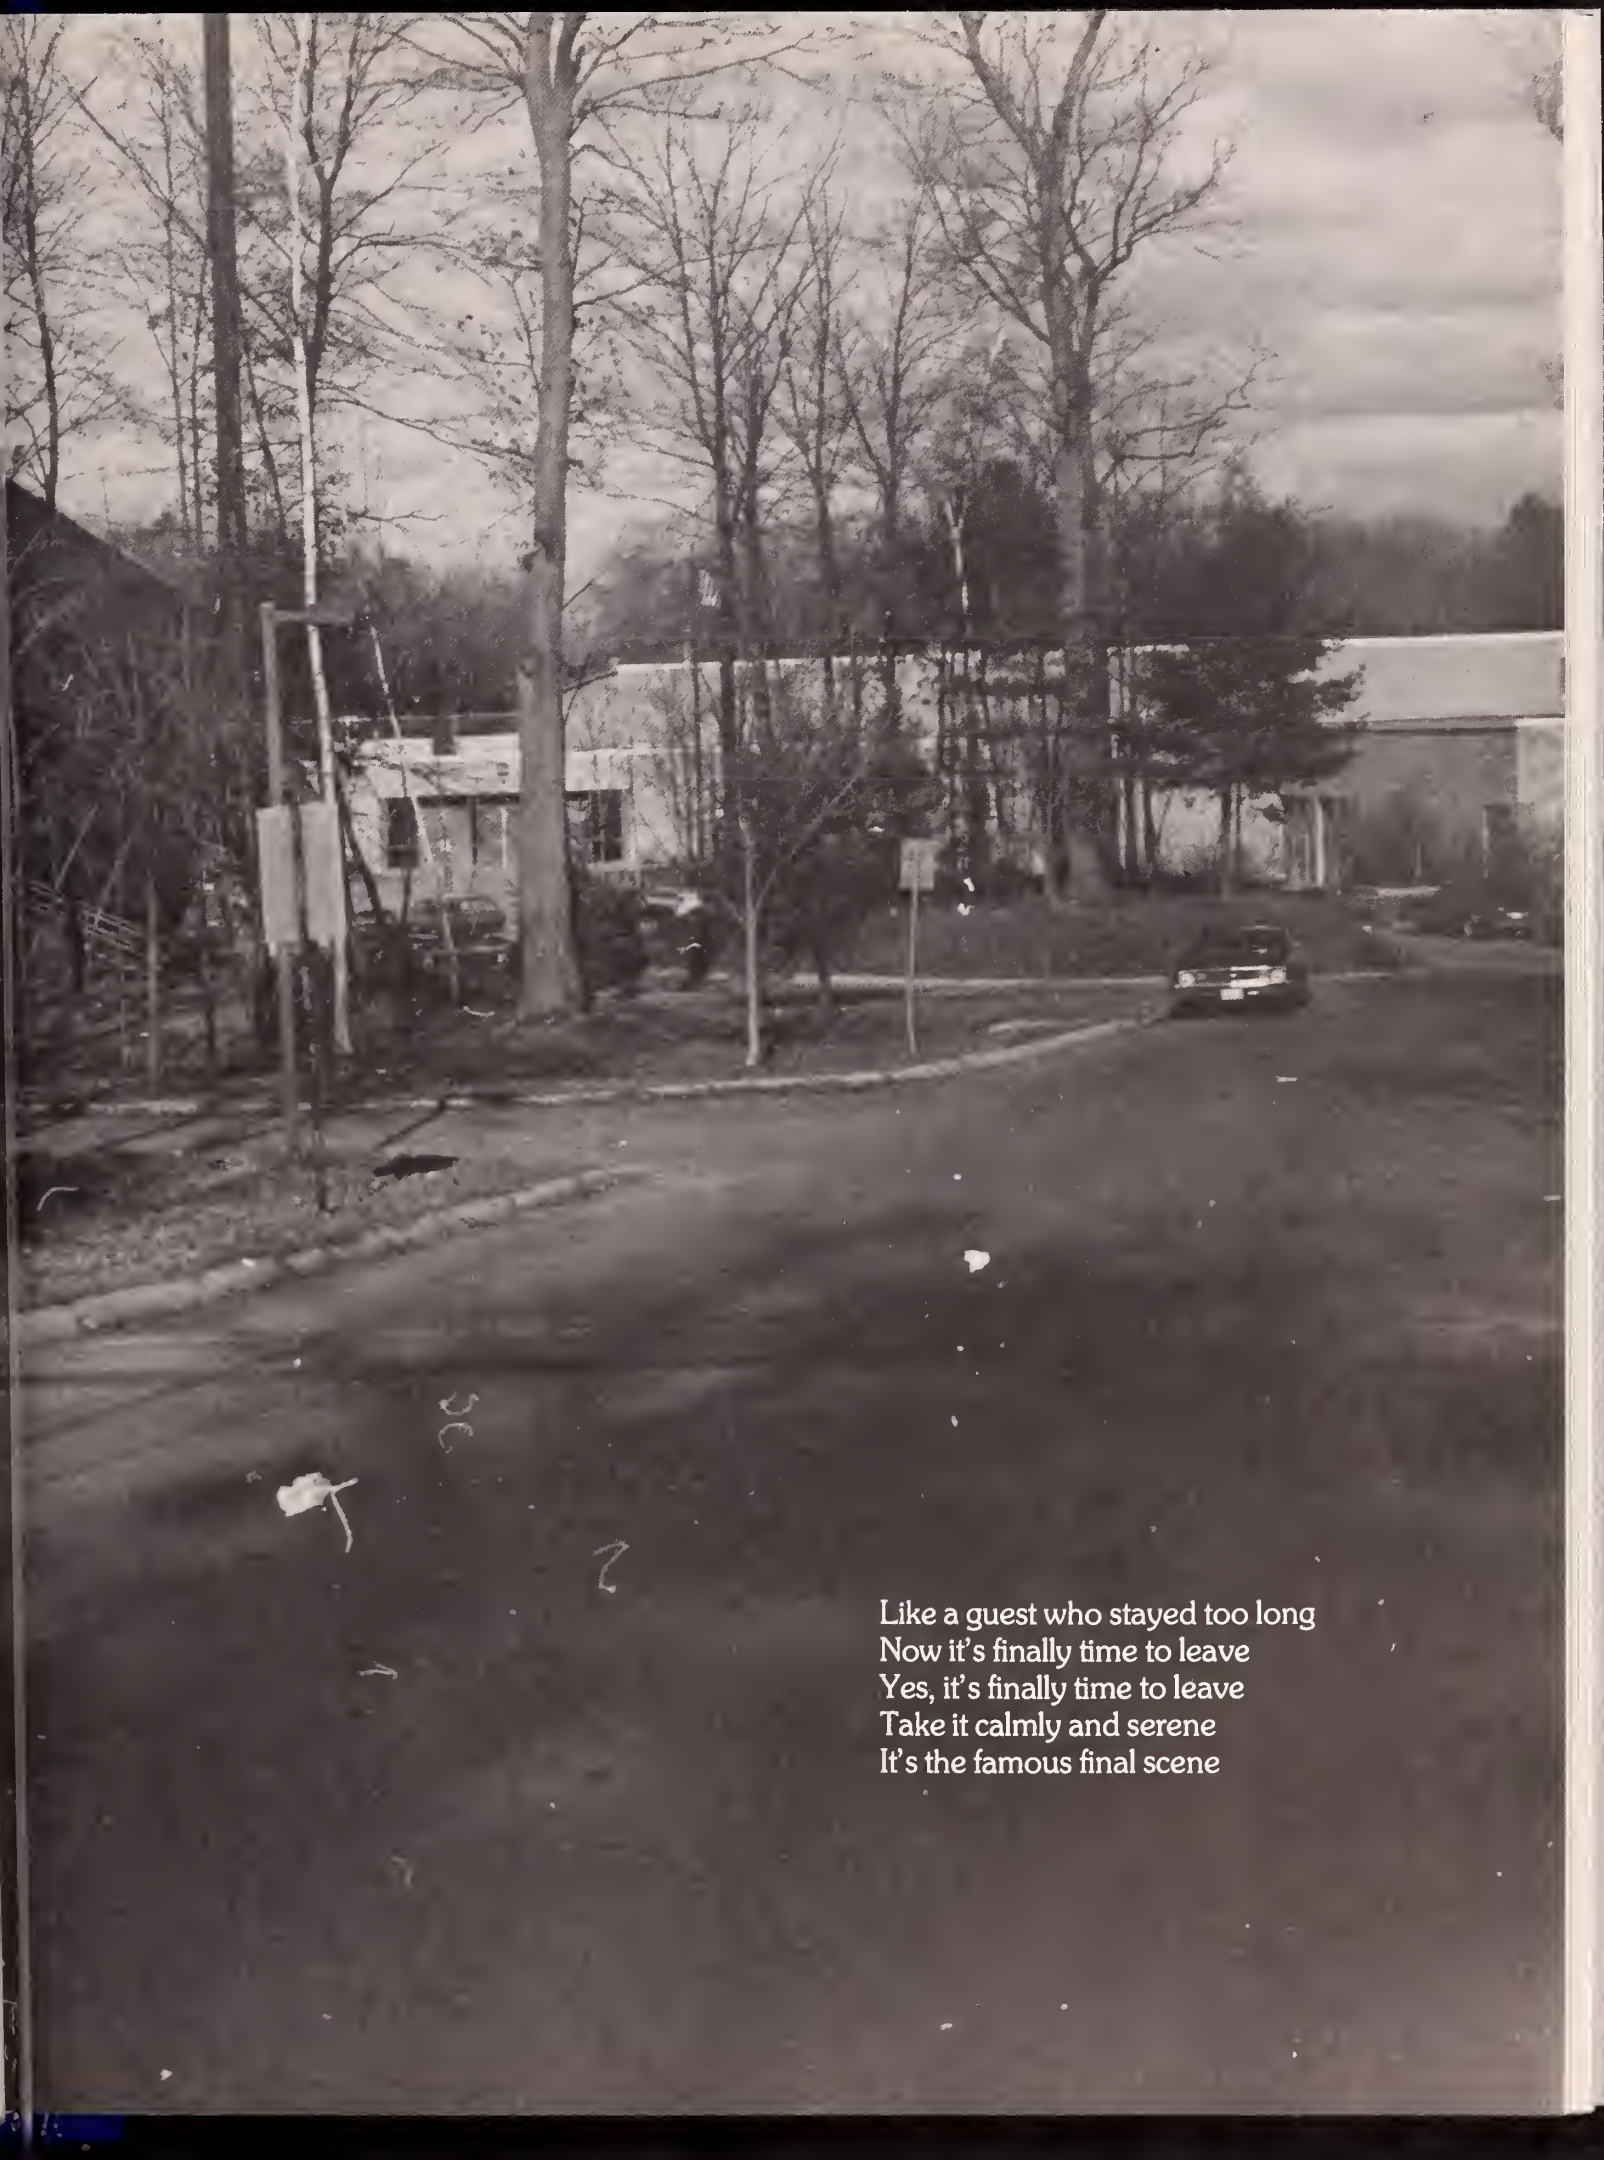
Excuses, excuses . . . the art of avoidance and deception; our weapons in the war against work and responsibility. Where would we be without them? Where have we been with them? (Probably in Mr. Nick's office) We have all found the need to use them at one time or another to "rationally" explain our tardiness or our incomplete (i.e. never attempted) assignments to our classroom tyrants. For those of you who suffer pangs of guilt, don't think of them' as lies but as mere elaborations of the truth. To those who say that our creativity has been stifled we offer the following Academy Award winning examples of (adolescent) imagination:

I can't go to detention because . . .

. . . I have an appointment with my hairdresser.
. . . I have to work and my job is important.
. . . My mother is getting married.
. . . I have to help my mother take the dog to the vet.
. . . I have no ride home and I can't walk in the snow with these heels.
. . . I have a dental appointment at 4:00 p.m. and have to go right home to brush my teeth.
. . . I'm allergic to Mr. Noiseux.
. . . My dog is about to have puppies and I have to be there, just in case.
. . . The gypsy moth caterpillars are defoliating my trees and I have to go home to spray them.
. . . My parakeet is sick and needs me.
. . . I'm moving this afternoon and I want to say goodbye to my friends.
. . . I'm getting ready for a Falkland Islands victory party.

I don't have my homework because . . .

. . . My dog ate it.
. . . It's in my locker and my locker's jammed.
. . . I was absent.
. . . I had to go on a field trip.
. . . I had to go to a yearbook meeting.
. . . I had to go to Guidance.
. . . I had to go to the office.
. . . I had to go to the nurse.
. . . The homework mugger attacked me.
. . . I was preparing for the Falkland Islands victory party.



Like a guest who stayed too long
Now it's finally time to leave
Yes, it's finally time to leave
Take it calmly and serene
It's the famous final scene

THE PLAYERS

BC '82

Just For Kicks

"This year's soccer team went 5-5-1. Although the record may not seem impressive, the effort and performance given by all the players was much to be praised, for they gave their all in every game."

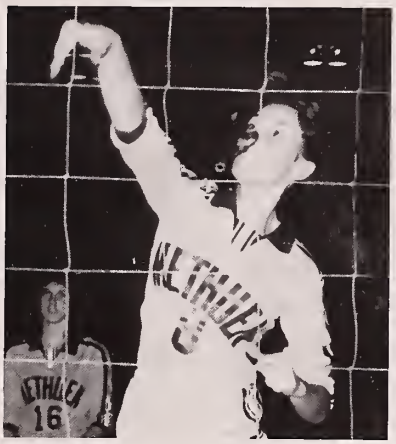
This Isn't Just A Game/ It's A War!

"A 7-6 loss to Lawrence decided the M.V.C. championship with Methuen finishing second with a 7-3 season. Twelve seniors helped provide Methuen fans with their second consecutive winning season."

Goal to Goal

"A successful season with a 7-4-4 record. Scoring twice as many goals than their '80 season and breaking three school records, the team finished in second place."

Service With A Smile



"The 1981 Volleyball season was projected to be a rebuilding year. The players on the team accepted this challenge and worked hard to achieve a more than respectable 9-4 record overall. We qualified for both the league championship and playoffs and the State Tournament."

In The Fast Lane

"Excellent season for such a young team! Only appropriate that Methuen's **first ever** four-year varsity X-Country man Senior Capt. Frank Lemieux, goes out on an undefeated, M.V.C. League Champ team!!! Toughest 1-2-3 runners in the state!"

Running With The Pack

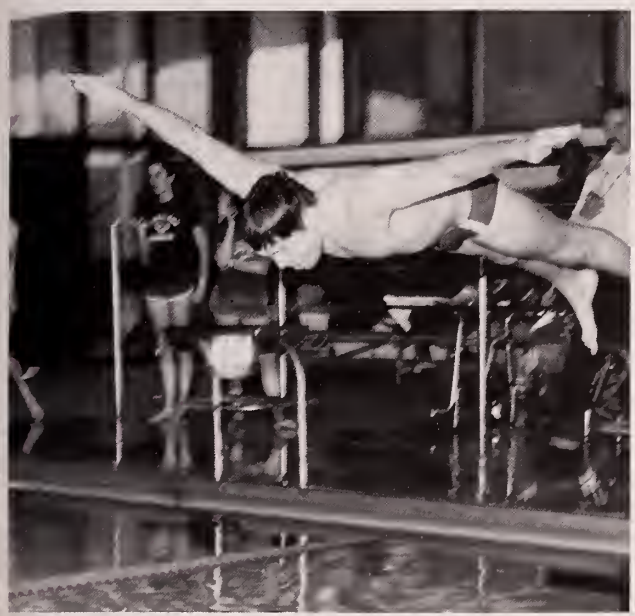
"The team finishes with a dual meet record of 8-1 and second place in final M.V.C. standings. This was one of the most well-balanced teams Methuen has ever fielded. The team was capably led by Tri-Captains Cindy Gagnon, Kathy McDermott, and Sheila Pepin."

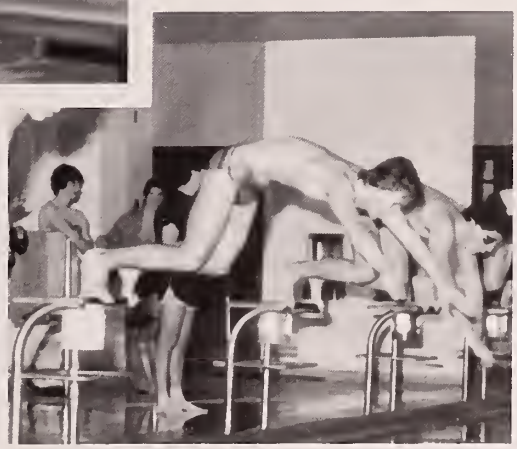
Splish . . .

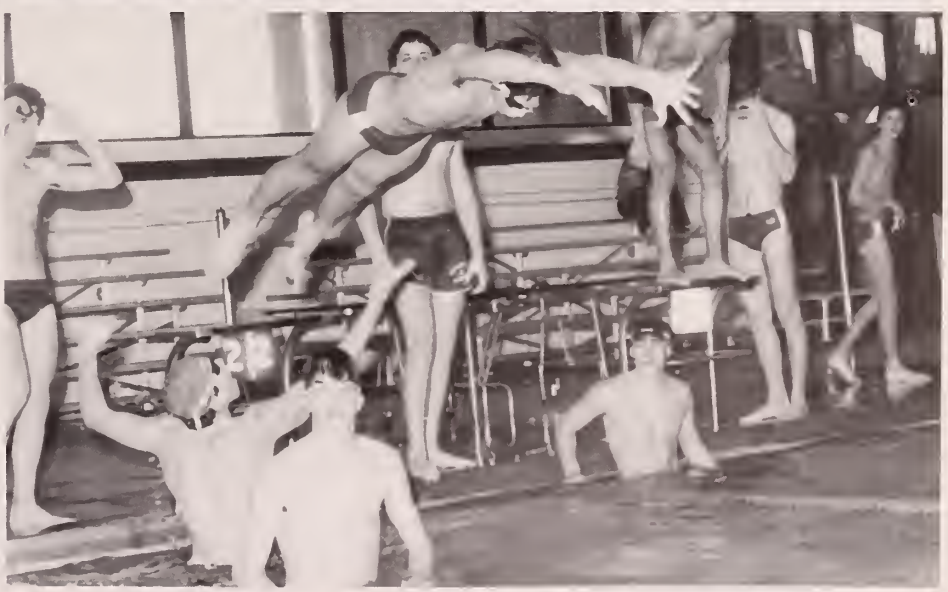
"The Girls' Swim team finished third in the North Conference League. Five girls qualified for the Eastern Massachusetts Championship in Medford. The team completed its season with an impressive record of 8-3."

. . . Splash!

"This season, the Boys' Swim team belonged to the Commonwealth Conference. Although this year's team was small, all members exhibited great spirit and motivation. They look forward to an even more successful season next year when they will be in the Merrimack Valley Conference."







Courtin' In Style

"The 1981-1982 Boys' Varsity Basketball Team finished with a 4-13 record. The team was led by seniors Tom DiMauro, Mark McGraw, Mark Murray, and Steve Sirmaian. Throughout the season they exhibited great talent and determination."

Hotshots

"The Ice Hockey team played exciting hockey this past season with Doug Boyle, Art Broadhurst, and Steve Boudreau being selected to the All Conference team. The highlight of the season was the game with Sir Wilfred Laurier High School from Ontario, Canada which ended with an 8-5 win."

In Search Of The Perfect 10

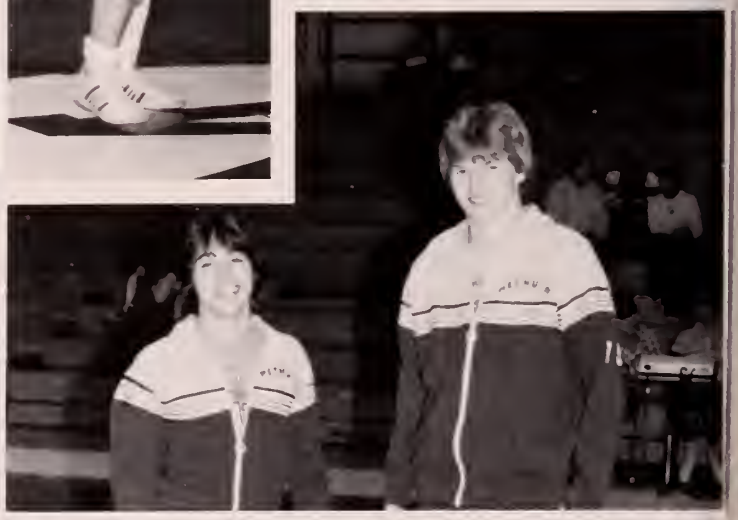
"I was very pleased with the performance of the team this year. It consisted of only three seniors and qualified for the State Finals, only the second time in Methuen's history."

The team was led by seniors Peter Boucher, Nick Dupuis, and Mark Lister.

Eight Is Enough!

The girls' gymnastic team had an outstanding season with fine performances from seniors Cathy Howshan, Jane Sapia, and Karla Pattavina. Once again, Karla was a standout in the Merrimack Valley Conference.

Mat-mates



"The varsity wrestling team finished with a 7-7-1 record. The schedule was the toughest ever and included some of the top teams in New England. Four wrestlers qualified for the state meet."

We Go In Snow

Senior members included Sean Bradley, Michael Gerardi, Tom Farrell, Donna Poulin, Debbie Brooks, Kelly Keough, Laureen Kinsella, David Catania, and Mike Torres.

"Despite a relatively small number of participants, this year's ski team was characterized by a number of outstanding individual performances. David Catania and Tom Farrell for the boys, and Laureen Kinsella, Debbie Brooks, and Donna Poulin for the girls, were outstanding."

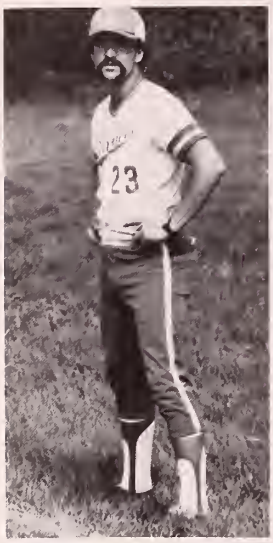
The Pacers

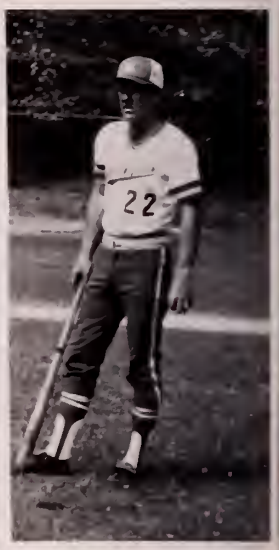
"Where's the bacon?"
"Do we **have** to run the relay?"
"What am I running?"
"I can't find the baton!"
"Who has the pins?"
"My legs hurt!"
"I think I have a slight pull."
"Is the trainer here?"
"SHIN SPLINTS!!!"
"ICE IT!!!"
"MORE ICE!!!"

Go For It!

"Great season highlighted by 45-41 come-from-behind win over last year's champ, Chelmsford. M.V.C. league champs — undefeated, State Class "B" Relay champs, M.V.C. League Meet champs. Led by captains Frank Lemieux, Steve Avedesian, John Palazzo, and Dan Carpenito."

Ranger Fever — Catch It





After a poor start, the varsity baseball team finished strong winning 7 of its last 9 games including the last 5 in a row to finish with a 9-7 record. Paul Szostak led the team in hitting with a .395 batting average. Dave Manning went 4 and 0 to lead the pitching staff, and Doug Boyle, who hit .333 but .400 in the clutch, was chosen the team's M.V.P.

In the Swing of Things

The girls softball team finished in fifth place with a 10-6 record after the playoff competition. Next year looks promising with most of the varsity team returning.

Sweating Out the Workout

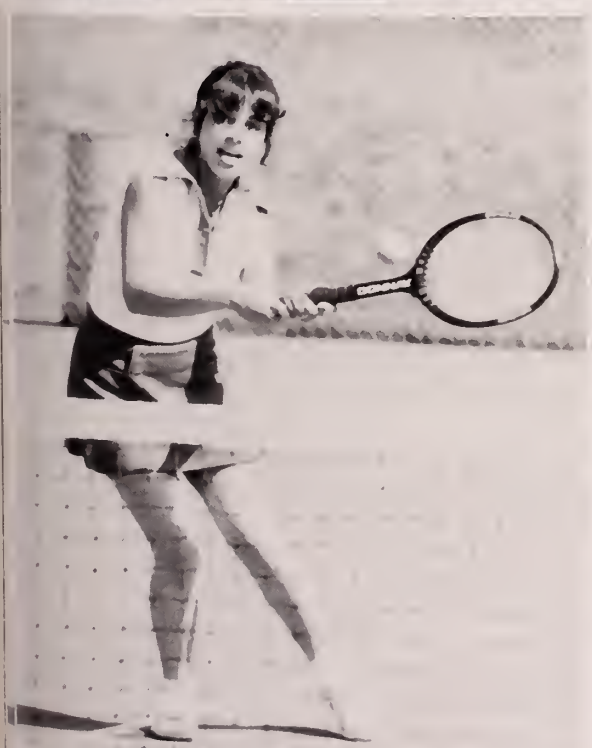
The boys spring track team overcame injury and illness to post a 3-3 record. This season provided us with two state champions, Dave Colizzi in the shotput and Mark Murray in the discus. The team finished third in the M.V.C., fourth in Class B, fourth in the All-State, and second in State Relays. A great group of returning juniors will provide the nucleus of, hopefully, a championship team. The seniors included: co-captains Mark Murray and Frank Lemieux, John Palazzo, Jim Gregg, Tim Nartiff, Steve Avedesion, and Tom Grondine.

Keeping in Stride

Record wise, the girls spring track team was not impressive; but when you consider how well balanced Division II of the M.V.C. was, the team fared well. Out of five meets, four were decided by the last relay event and Methuen won two of those four. Monica Baker became one of Methuen's most outstanding runners ever by winning the Class A Championship in the hurdles for the second time. She was named "Boston Globe All-Scholastic" and nominated High School All American. Cathy Decubellis and Chris DiZoglio became M.V.C. All Stars and Eagle-Tribune All Stars for the second year in a row.

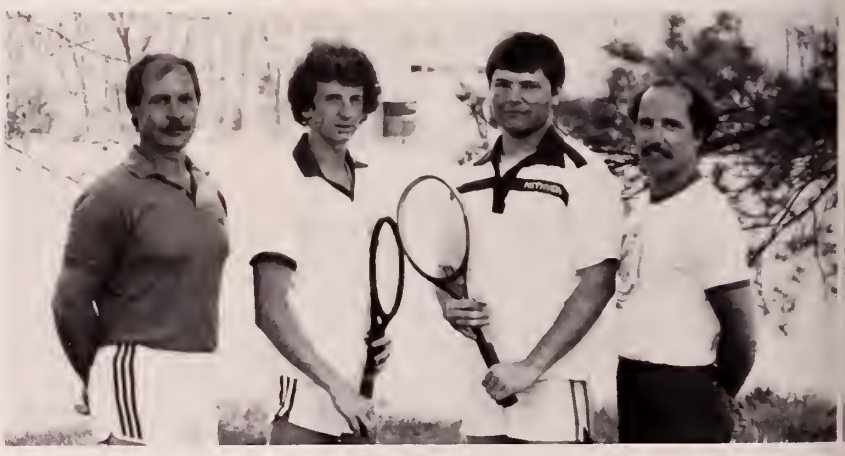
Net-wits

The girls tennis team had another successful season, finishing with a 16-1 record, the M.V.C. Championship, a long list of All Stars and a lot of fun!

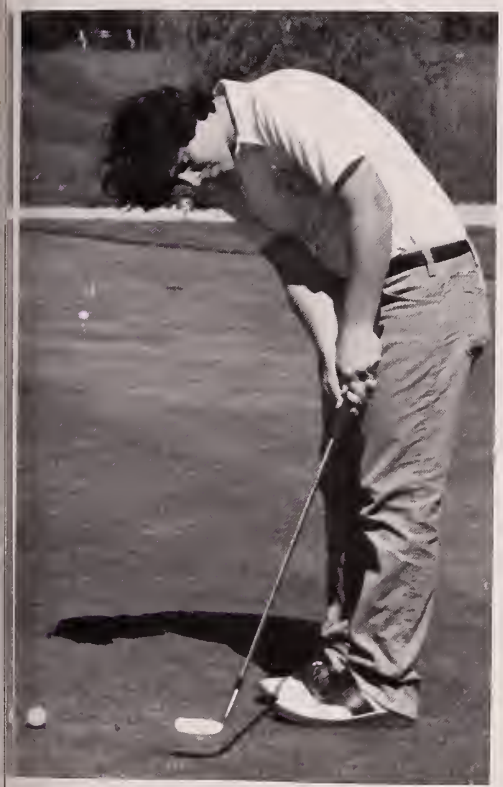


What a Racket

The 1982 Season was one of rebuilding for the Methuen High Team. After opening with an upset win over Chelmsford, the Rangers lost a number of close matches including two to the State Class B tournament winner Austin Prep.



Up to Par



This year's golf team won the M.V.C. Championship. The team was the first one in the conference to be completely undefeated throughout the season.

Let's Hear It!

This spirited squad included seniors Susan White, Kelly Keough, Janet Rapoza, and Karen Abdullah led by Co-captains Marguerite DeMonaco and Carlene Graham.

Now the stage has all been set
And the nights are growing cold
Soon the winter will be here
And there's no one warm to hold
